Additional Statement of Non-Liability

Union Visa, LLC is a private visa agency, which closely cooperates with Russian Consulates, but is not affiliated with any. We provide document preparation services and charge a service fee (Generally our service fee is \$89, it might be higher for concierge and expedited services). Our service fee is not refundable under any circumstances if the service was provided. Service is provided within the first 2 hours of receiving and accepting your documents. Due to the tense political situation, we want to remind all our clients, that our control of the situation and guarantees are limited to our abilities, but we will do everything possible to help you achieve the result you are hoping for. If your documents are accepted by the Consulate, we would not be able to provide a refund of any kind, as all fees (shipping, courier, processing, visa center, and Consulate) would have been paid and generally non-refundable to us. Unfortunately, with the ongoing crisis, the outcome of your situation may be disappointing, as your passport may be returned without a visa, or the process could take a lot longer than expected.

By signing this Additional Statement of Non-Liability, you agree to these terms.
